“Visiting Ted in Heaven” Book Description:

A year after the sudden and tragic death of her toddler son, Ted, Janet McGee had a dream that she traveled to Heaven to visit Ted. From the colorful and adventurous journey to Heaven, to hearing about Ted’s new home, this book was designed to bring comfort and peace to children who have experienced the death of someone close to them. To learn more about Ted’s story, visit www.janetmcgee.com.

Janet McGee is a Christian, a wife, and a mother. She graduated from the University of Minnesota with a Bachelor’s Degree in Mortuary Science, and worked as a licensed mortician throughout most of her 20s. After attaining her MBA, she established herself in the corporate world for almost a decade. When her 22-month-old son, Ted, died tragically in 2016 from a furniture tip-over accident, she left her career behind to advocate for furniture tip-over prevention.
