# ~~Fiber Guild~~

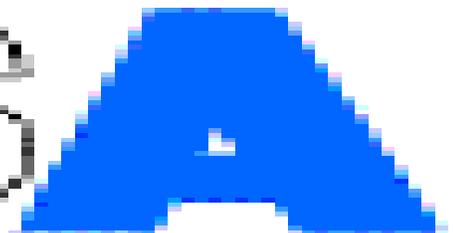

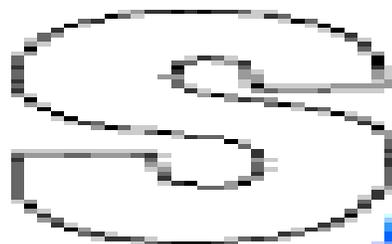

Are you looking for something fun to do this summer? Do you want a way to beat the heat while you socialize with others at the same time? Would you like to learn a new skill or support the community? Join the Lake Benton Public Library Fiber Guild where you can learn fun, new skills in the air conditioned library while socializing with others who also love crafting.

The Fiber Guild meets every Tuesday evening at the library, with the doors opening at 6:30 p.m. It is a place and time for people of all ages to work on small crafts and projects, while making new friends and sharing time with others.

Members of the Fiber Guild can either bring their own items to work on or they can work on one of the projects the Fiber Guild offers. Projects have included personal mending, costumes for the Lake Benton Opera House productions, beaded jewelry, knitting, crochet, counted cross-stitch, scrapbooking, coloring and many others.

This program is a great way for summer visitors or new community members to get to know others in the area. It is completely free to join and everyone is welcome. It is also a way to contribute to the community, as finished projects are often donated for charitable causes.

If you love hand-crafted items, but do not have the time to work on projects, you can have one of the beautiful finished creations for a small suggested donation. All donations support either the Fiber Guild projects or the Lake Benton Public Library.

## BTFT— By the Teens, For the Teens

BTFT meets every other Saturday. The next few meetings will be July 14 and July 28 at 9:30.

The bike rack has been installed in front of the library.

The teens sold ice cream, face painting, & tattoos for Saddle Horse Days.

They had a good profit. Excellent turn out!

All students in 6th grade or above can join.

For more information about the BTFT, contact Shelly.
