Categories of acceptable objects may include:

Fine art, including paintings, drawings, prints and statuary. Furniture (photos of large pieces may be sent to me in advance). Ceramics, including figural pottery, vases, dishes, kitchenware and stoneware. Glassware, including lighting, marbles and souvenir items. Vintage photographs, including snapshots, tintypes, ambrotypes and daguerreotypes. Advertising, including posters, lithographed tin, paper and figural objects. Folk art, including carvings, quilts, weathervanes, windmill weights and "outsider" art. Assorted toys, including dolls (bisque, composition and plastic), windups and mechanical banks. Metal ware, including iron, bronze, brass, pot metal, silver, silver plate. Clocks, including mantel, hanging and figural; also pocket and wristwatches. Costume jewelry, including brooches, bracelets, earrings. Musical Instruments, including string, wind and reed instruments. Books. Sporting Memorabilia.

Excluded items: all weapons, including swords and knives (though folding knives with advertising are accepted); traps (like leg-hold); Nazi memorabilia; coins and paper money; fine jewelry, including precious gems; Beanie Babies. Questions about objects not covered here can be submitted to Moran in advance to determine if they are appropriate. Suggested categories for advance inquiry include, but are not limited to: Oriental, Native American and other tribal objects (African, Oceanic); ancient artifacts (Egyptian and other early cultures); fossils and minerals; books; automotive items; nautical and military-related objects; records; antique tools and technological objects (typewriters, cameras, assorted machinery or instruments for scientific measure, like sextants, telescopes, microscopes, etc.). When in doubt, email inquiry can often address this.
