Outreach Program

“The more that you read, the more things you will know. The more that you learn, the more places you’ll go.” – Dr. Seuss

Reading opens the door to the world outside, so the Lake Benton Public Library offers an outreach program for homebound patrons living in the Lake Benton community.

Twice a month, a library volunteer will deliver books and/or audiobooks right to the front doors of homebound patrons. Homebound patrons can order specific titles, authors and/or genres by calling the library to speak to a librarian or giving a list to the volunteer delivery person. Delivery/pickup will be the first and third Wednesdays of every month.

Signing up for this program is easy. Simply call the library at 507-368-4641, ext. 4 to get started.
