One Book/One County Read

We have told you about the WWII themed program the Lincoln County libraries have planned for the end of September and beginning of October. Check out the programs we will have at the Lake Benton Public Library:

Saturday, September 23, 10 a.m.: Erick Harper - *The Battle for Castle Itter*: Americans and Germans joined forces to protect French soldiers from the Nazi forces. A light snack will be served.

Thursday, September 28, 12:30 p.m.: Faye Berger—*Finding Foxholes*: Berger is the author of our One County Read selection. Join her for the story behind the story and stay for the Q&A time near the end. A light snack will be served.

Saturday, October 7, all day: Fagan Fighter Museum Charter Bus Trip: Spots are filling quickly for our Charter Bus Tour to the Fagan Fighter Museum near Granite Falls. Once the list is full, we will have a waiting list for anyone who wants a chance at empty seats or unpaid reservations. The \$10 for admission to the museum is due by the end of the library business day on Wednesday, October 4. Anyone who is on the list but has not paid by October 4 will be taken off the main list. Patrons on the waiting list should not pay ahead of time.

We hope you will join us for one of these great county-wide programs. For more information about these or any of our other programs, contact the library during regular business hours.
