

# **NOTICE**

*It is unlawful to discharge sump pumps, foundation drains or any other ground water or storm water into the City of Lake Benton Sanitary Sewer, according to City Ordinance #51.062.*

**This will result in a \$100.00 fine.**

This is clean water that does not need to be treated. The excess storm water causes an overload on the sanitary sewer system causing sewage to back into homes and forcing the City to bypass untreated sewage to the river. This is a very serious problem and we need everyone to comply with this ordinance.

Storm water and sump pump discharges should be directed away from your homes onto your yard or to the street curbs.

If you have **ANY** questions, please contact  
**Lake Benton City Maintenance at 507-368-4641 ext. 2.**  
We would be happy to look at your home.
